

An envelope barcode can be added to the offering envelopes to decrease the amount of time required to record contributions. You simply scan the envelope number barcode to pull up parishioners' names and scan the dollar amount on the laminated sheet provided.

Envelope Barcoding Made Easy!

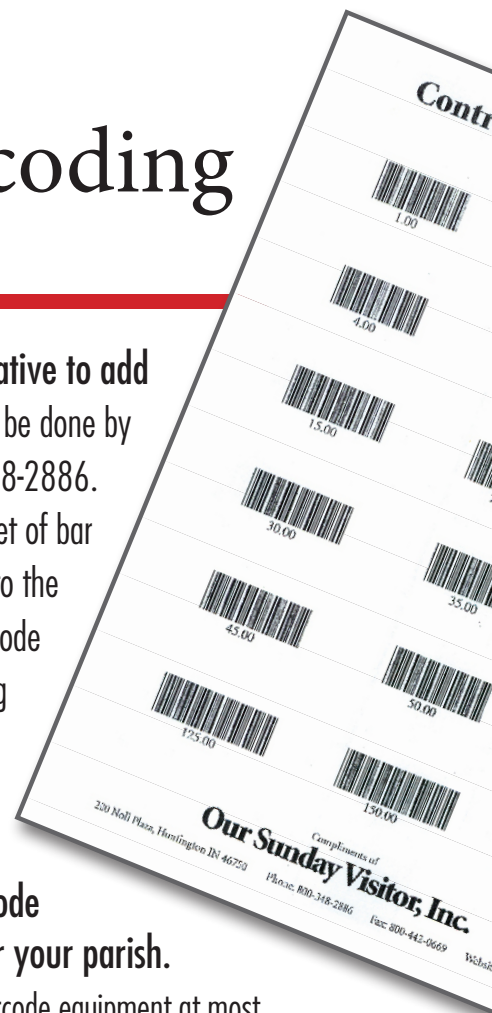

1 Ask your customer service representative to add bar codes to your envelopes. This can be done by simply calling customer service at 800-348-2886. We will provide you with a laminated sheet of bar code amounts similar to what is pictured to the right. In addition we will also print a bar code of the envelope number onto your offering envelopes - at NO additional cost!

2 Purchase barcode equipment for your parish. You may find barcode equipment at most office supply stores.

3 Start scanning!

Call 800-348-2886 to start barcoding your envelopes today.
